

## MY CONTINUING PRIORITY: WORKING FOR YOU

Milford Fabricating

Groundbreaking for the West Haven Train Station

Dear Friend and Neighbor,

Although the economists have said the recession is “over,” I know that many of our friends and neighbors are still struggling with job losses, home losses and other challenges. As your advocate in Hartford, I compiled this list of information to let you know where to find help if you need it. If you have difficulty using any of these resources or need information about any other matter, please do not hesitate to contact me. I am always happy to hear from you and help wherever possible.

With best wishes to you and your family for a safe, happy and healthy New Year.

Warmly,  
  
Gayle Slossberg  
State Senator
